E-mail: n.suscka@btu.kharkov.ua

Address of the organizing committee:

State Biotechnological University,
str. Alchevsky, 44
61002, Kharkiv,
Ukraine

TERMS OF PARTICIPATION IN THE CONFERENCE

Please send a set of documents to e-mail: 0997301084@btu.kharkov.ua no later than November 1, 2022:

1. File with report abstract of one full page of A5 paper size (file with .rtf extension). The file must be named after the first author's surname.

2. Application for participation in the conference with signatures of the participants (scan or photo).

Attention! *The organizing committee reserves the right to refuse to print materials that do not meet the topic or requirements*

Submissions after November 1, 2022 will not be accepted.

It is planned to publish the electronic collection of reports abstracts.

The collection of report abstracts will be available at the link:

<http://btu.kharkov.ua/nauka/materialy-konferentsij/>

The electronic collection of report abstracts will be sent to all participants by the end of 2022 (if there are no force majeure circumstances related to the state of war in Ukraine).

Technical requirements to report abstracts

The report abstract is sent in a file with the extension .rtf. The volume of the report abstract is one full page of A5 format, all margins are 20 mm. Font of the text: typeface – Times New Roman, size – 10, line spacing – 1 pt.

Formulas are created in the MS Equation formula editor. The sizes of the components of the formula:

Full	10 pt.
Subscript/Superscript	9 pt.
Sub-Subscript/Superscript	7 pt.
Symbol	13 pt.
Syb-Symbol	9 pt.

Formulas should be separated from the text by one line, centered. If there is a reference to them in the text, they should be numbered. Formula numbers must be aligned to the right margin. The numbers are indicated in round brackets..

Each illustration or table must have a title.. Illustrations and tables are numbered with Arabic numerals. Tables and illustrations are placed below the text in which they are referenced. Illustrations should be black and white, clear and contrasting, without a background. Each illustration is separated by one line spacing above and below the main text. All illustrations are made in graphic editors compatible with the MS Word. The name of the figure and explanatory data are placed under the illustration and centered.

Example:

Fig. 1. Distribution of plantings... (font 9 bold).

Each table is separated by one line spacing above and below the main text. Above the table, you should put its serial number, aligned to the right edge, then place the name of the table, aligned to the center.

Example:

Table 1
Experimental data... (font 10 bold)

The report abstract title should be typed in capital letters in the center; initials and surnames of the author(s) should be highlighted in bold; The name of the author(s), the scientific degree, the name of the education institution should be aligned on the right margin of the page; indenting the line, print the text of theses; single line spacing. The text must be typed without hyphens..
