Publication of materials:

As part of the conference, an electronic version of the collection of abstracts will be published and posted on the website of the State Biotechnological University.

Each participant will be sent an electronic collection of abstracts and a certificate of participation based on the results of the conference.

Requirements for the abstracts:

Abstracts should be submitted in Ukrainian or English, no more than three pages (without figures, tables, or page numbering) typed in the *Microsoft Word* text editor (A4 format), the size of all fields is 20 mm, the paragraph is 1 cm, width alignment, Times New Roman font 12 pt with an interval of 1.0 according to the attached template. For abstracts based on specific experimental data, it is advisable to adhere to the classic scheme when presenting: introduction, purpose, materials and research methods (without detail), results, and conclusions. The list of references (if necessary) can contain up to 10 sources, formatted in an abbreviated format. The conference program committee reserves the right to reject works that do not meet the requirements or the subject of the conference. Abstracts will be published in the author's edition.

The names of the files with the materials should contain the first author's surname in Latin: *Author_abstr.docx*.

Files with the conference participant registration form should be named after the participant's last name in Latin letters, for example: *Author_RF.docx*.

The authors are responsible for the content and format of the abstracts, particularly for the absence of plagiarism! Abstracts that are not formatted according to the requirements and submitted after May 10, 2025, will not be accepted for publication!!!

Abstract materials should be sent to the e-mail address:

vet.conf23@ukr.net

The organizing committee **will notify** you of the receipt and acceptance of materials. If you have not received a response within two business days after registering and submitting your abstracts, please, contact the conference coordinator.
