Invite you to participate in the

All-Ukrainian Conference with International Participation

“Current Issues of Theoretical and Practical Ichthyopathology”

November 25, 2026

Kharkiv – 2026

PARTICIPATION IN THE CONFERENCE IS FREE!

The conference accepts materials from scientists of research institutions, teachers of higher and pre-higher education institutions, postgraduate students, and specialists related to the topic of the conference!

Thematic sections of the conference

-  - section 1 - diseases of aquatic organisms (infectious, parasitic and non-infectious);
-  - section 2 - physiology, biochemistry and morphology of aquatic organisms;
-  - section 3 - technological aspects of aquaculture and strategies for veterinary and sanitary control of aquatic organisms;

The Organizing Committee will be grateful to you for familiarizing your colleagues interested in participating in the conference with this information

Working languages of the conference: Ukrainian, English

Contact details of the organizing committee:

State Biotechnological University, 61002, Kharkiv, Alchevskikh St., 44,
E-mail: conf.ichthyopathology@gmail.com

Conference coordinator:

- Head of the Department of Epizootology and Microbiology of SBTU, Candidate of Veterinary Sciences, Associate Professor **Severyn Raisa Vasylivna**, e-mail: raisa.severin2018@gmail.com, tel. +380661430276 (Viber)
- Head of the Department of Pharmacology and Parasitology of SBTU, Candidate of Veterinary Sciences, Associate Professor **Nikiforova Olga Vasylivna**, e-mail: lxodes1795@gmail.com, tel. +380502878094 (Viber)

Conference key dates:

- ✓ Deadline for submission – November **5, 2026**
- ✓ Date of the conference – November **25, 2026**
- ✓ Preparation of the collection of abstracts – by December **25, 2026**.

Forms of participation in the conference:

-  **Online** – publication of abstracts and presentation in *Zoom* via a link that will be sent additionally;
-  **Correspondence** – publication of abstracts only

Publication of materials:

As part of the conference, an electronic version of the collection of abstracts will be published and posted on the website of the State Biotechnological University.

Each participant will be sent an electronic collection of abstracts and a certificate of participation based on the results of the conference. If desired, the authors of the abstracts of the reports after the conference can expand the materials and publish them in the form of an article in the scientific journal of the State Biotechnological University "Veterinary Science, Animal Husbandry Technologies and Environmental Management" (included in the List of Scientific Professional Publications of Ukraine, category "B")

Requirements for the abstracts:

Volume - up to 3 pages (without figures, tables, page numbering),

Text format: editor - Microsoft Word (A4 format), font - Times New Roman, size - 12 pt, spacing - 1.0, margins - 20 mm, paragraph - 1 cm, width alignment, do not use word wrapping.

Abstracts based on specific experimental data should contain:

introduction, purpose, materials and research methods (without detailing), results and conclusions.

Review-analytical abstracts should contain: relevance of the problem, analysis of literary sources, conclusions. List of references (if necessary) up to 10 sources, formatted in an abbreviated format.

The conference program committee reserves the right to reject works that do not meet the requirements or the topic of the conference. Abstracts will be published in the author's edition.

File names with materials should contain the surname of the first author in Latin: **Author_abstr.docx**.

The authors are responsible for the content and format of theses, in particular for the absence of **plagiarism!**

For students and postgraduates, it is mandatory to indicate a scientific supervisor.

Abstracts that are not formatted according to the requirements and submitted after **November 5, 2026** will not be accepted for publication!!!

Send abstract materials by email:

conf.ichthyopathology@gmail.com

The organizing committee will notify you of the receipt and acceptance of materials. If you have not received a response within two business days after registering and submitting your abstracts, please, contact the conference coordinator by phone +380502878094 (Olga Nikiforova).
